CASE 07 CV 008314

Your Honor,

At this time wish to withdraw motion regarding request Change of Venue to West Virginia in this case. While I do think this is THE crucial issue in this case we will as I now see be able to discuss this issue Sept. 30, scheduled Hearing. When I filed this motion I did not yet receive notice of this Hearing, as apparently crossed in the mail. The fact that we can discuss this issue Sept. 30 makes filing I feel unnecessary, at least at this time.

I do continue to make the point that location is of utmost importance and may actually determine whether I will actually get a day in court.

Sincerely,

Joe Mogus
Pro se Defendant

Motion
